Dear Mr. Thomas

Thank you for taking time out of your busy day to schedule an appointment. I am writing to you to confirm your appointment here with us at the Swedish Organ Transplant Center.

The appointment will be at the following address:

**1124 Columbia St.
Suite 600
Seattle, WA 98104
Scheduled Appointment is Friday September 2, 2022 at 12:00 PM.**

Please arrive on time for your check in. During this appointment you will meet with the following health care providers:

**Transplant Nephrologist
Transplant Surgeon
Transplant Social Worker
Transplant Nutritionist
Transplant Financial Counselor
Kidney Transplant Coordinator**

Given the complexity of kidney transplantation, your appointment may take up to 4 hours so please come prepared with snacks. We strongly advise you bring a support person to the appointment. This will allow for a complete assessment.

Please bring the following to your appointment:

**Insurance cards
Current medication list
Social Security Number**

We look forward to serving you and your transplant needs. If you have any questions, please feel free to contact us, (206) 386-3032.

Sincerely,

**Ashley Poole
Patient Services Coordinator II
Swedish Organ Transplant & Liver Center**

Caregiver Fact Sheet

Following your transplant, you will need a caregiver. The timeframe that you will require a caregiver may vary depending on where you live, how long you will be in Seattle, and your medical condition following transplant. Your caregiver should come with you to your evaluation appointment.

When thinking about who you might ask to serve as your caregiver, please consider the following requirements:

- Caregiver will learn the patient's medication regimen before discharge from the hospital
- Caregiver will provide 24 hour care for the patient for at least 2 weeks following discharge
- Caregiver will need to be available by either home or cell phone at all times
- Caregiver will call OTP if any emergencies, complications or concerns arise
- Caregiver will accompany the patient to post-transplant clinic appointments at *Swedish Organ Transplant Program Clinic: 1124 Columbia Street, #600, Seattle, Washington 98104*
- Caregiver will provide or assist with arranging transportation for the patient; patients will not be able to drive for at least 1 month post-transplant
- Caregiver will assist with household chores such as cooking, cleaning, laundry, etc

You will be responsible for notifying the transplant program if your caregiver is unable to fulfill the responsibilities listed above. You will have the opportunity to ask questions regarding post-transplant care with your Transplant Coordinator and Transplant Social Worker.
